ABOUT THIS GUIDE

The 2025 BMW Dallas Marathon Festival Traffic Guide was developed to help residents better understand the marathon route and road closures in effect. Before traveling, be sure to check out the course maps to see if your trip will be affected by the road closures.

If you plan to travel near or through the road closures, check the closure timeline for the day of travel and see what times the roads will close and open.

- When in doubt, assume you won't be able to cross or drive along the course route.

All traffic updates will be available on Google Maps and Waze. Please follow this link to download Waze: <https://www.waze.com/ul?acvp=7543c3dc-4aa>
